

CYO Basketball at SJS 2016-2017 School Year

The fall basketball season is rapidly approaching. The timeline for SJS CYO basketball is listed below. Please note on Thursday **October 6 from 7:00-8:30 PM** in the west campus hallway, we will be conducting basketball registration. There will be two advantages of registering that night. First, uniforms sizes will be present for parents considering purchasing a SJS basketball uniform. Second, athletes registering at this time will be entitled to a \$5 off the registration fee.

Athletes are reminded that they need to be involved in the religious education program of the parish in order to be eligible for CYO participation. That means the athletes need to either be members of the school or involved in the religious education program. If athletes do not fulfill one of these two requirements, they will not be eligible for CYO participation.

In addition, all athletes must have a CYO player contract as well as a signed acknowledgment form of the concussion information sheet on file. **Players not having a signed player contract or a concussion acknowledgment form on file will not be allowed to participate until these requirements are completed. High School players please note that player contracts need to be completed and on file at the parish office before November 4th or you will not be allowed to participate in the Open Gyms on November 7th.**

CYO player contracts are available at the parish center or online at:
