

Where the journey begins...

St. Joseph Preschool September 2017

Welcome to preschool! This month we'll be learning a lot of new and exciting things. Many of our discussions will focus on making friends and getting to know the routine of our classes. We'll also talk about our Grandparents and the important part they play in our lives.

Preschool pictures will be taken on September 12-14 so be sure to wear your smile! Please let your child's teacher know which day you would like to have them photographed.

Autumn will soon be upon us so we'll spend some time discussing the change of seasons and all of the splendor that goes along with that—such as the colorful, falling leaves and the apples we all enjoy at this time of year.

We've scheduled our first Family Field Trip for September 30th. We'll meet at Country Lane Tree Farm in Genoa at 9:30a.m. More information about the trip will be coming soon.

Once again, welcome! We're off to another great year at St. Joseph Preschool! It's such an exciting time!
