

ST. JOSEPH SCHOOL  
***NIGHT IN NAPA***

*Save the Date: January 28, 2017*

**A Look Back...A Peek Ahead!**

We would like our school families to be aware of the tremendous impact and important work that has been accomplished because of the proceeds of the previous ten **St. Joseph School Benefit Dinners**. We are proud of the fact that our **Benefit Dinners** have raised over **\$665,484** in ten years! Over these years, profits have been applied to our school's endowment fund, tuition assistance, playground enhancement and technology.
