and how we can help
to change lives

May 11, 7-8 p.m.

East Campus Meeting Rooms

CHERRY ST. MISSION MINISTRIES

Speaker: Reverend Dan Rogers

President and CEO of Cherry Street Mission Ministries

Dan Rogers has implemented a program at Cherry Street Mission that gives people an opportunity to step up and improve their status and their life. Through job training and a relationship with Jesus Christ, people can start anew. Please come for an hour and find out how each of us can help cut the chains that the entitlement programs have put on people.
