

Where the journey begins...

# St. Joseph Preschool April 2016

We're celebrating "The Week of the Young Child" April 10-16! This is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC). This is a time to recognize that children's opportunities are our responsibility. We'll be spending the week engaged in special activities each day to celebrate the children in our preschool program in our elementary school and our parish community.

Friday evening, April 15th, we'll be holding a movie night for preschool families beginning at 6:30. Families are invited to wear pajamas for this comfy, cozy get-together. The preschool will provide a light snack during the movie presentation.

Towards the end of the month be sure to watch and listen for new life in our preschool classrooms. There will be baby chicks, butterflies, ladybugs, and ants—OH MY!! So much to look forward to...
